Vietnamese Pho Noodle Soup

No matter what time of day or night, a steaming bowl of Pho noodle soup is never hard to find in Vietnam. Just as Pho Tai in Thailand, this dish in Vietnam is one of the best, delicious Southeast Asian food. Everyone around the world always seems to get the other they have a reason to go to Vietnam. The cuisine of the two regions and a meat-based broth. The dish is accompanied by beef, chicken, white onion, green onion, chili, and other meats on the side so that others can choose the soup to their own taste. The traditional form of beef, pork, chicken, and shrimp are most popular. The pho is served in a special bowl for anyone visiting Vietnam.
